

Planning Applications

Planning Applications And Appeals At Studholmes, we have many years' experience in the Kendal and South Lakeland area. We regularly conduct in-depth consultations with local planning officers on behalf of our clients and we are very familiar with local planning policies. This means that we have a good success rate on submitting planning applications and making planning appeals.

Planning applications

Studholmes can prepare and submit planning applications for new property developments, developments of existing properties and changes of use. In the first instance, we can offer a free opinion as to whether we believe an application is likely to be successful. We place a lot of emphasis on comprehensive consultations prior to submitting applications as a means of achieving success for our clients and reducing their costs.

Our fees are based on an hourly rate.

Please contact us for an estimate for your particular requirements.

Planning appeals

If you have a planning application that has been refused or where there are onerous conditions to comply with, we can advise on whether a planning appeal or a resubmission is worthwhile. If we feel a planning appeal is justified, we can prepare and submit your planning appeal for you.

Our fees are based upon an hourly rate.

Please contact us for an estimate for your particular requirements.
