

Property Management

Property Management

At Studholmes, we can provide a range of services to help you with the property management of your commercial or residential property portfolio.

Property management services that we offer include:

- advice on the condition of a property and the likely cost of repairs
- specification of repair or maintenance works for external contractors
- obtaining comparative estimates for repair or maintenance contracts
- supervision of contractors
- management plans and advice on common services for groups of buildings in separate ownership
- advice in respect of the application of the Disability Discrimination Acts, including drawing up access statements if required.

Our fees are based on an hourly rate. Please contact us for an estimate for your particular requirements.
